CITY MANAGER ANNOUNCES CUTS AND ADDITIONAL TAXES

Last month City Manager Virgil Tinzley presented a sad financial scenario to the city commissioners in a recent meeting at City Hall.

“Due to the decreasing income taxes coming into the city, we need to make several budgetary and tax adjustments and we are on course to lose approximately \$1.5 million dollars in revenue” Tinzley said.

To date the police department has reduced its patrolling hours to 8 hours per day with a 2 hour lunch break and police officers must use bikes for patrol units whenever possible. Should an emergency occur during the lunch break, citizens may call Rachel's Donutz Dunk 'N

Dip.

The fire department has also been reduced in staff by two firemen and the purchase of a new fire truck has been delayed until further tax dollars come in.

Tinzley signed an executive order requiring the furlough of all non-essential staff for one week per month, but later rescinded the order as it also included him.

Fees for outhouse inspection have increased to \$50 per visit and \$10 per hole. Multi-family units get a \$5 discount.

Additional fees for anyone having more than two cars on blocks on their front yard or more than 3 refrigerators on their front porch will receive a \$300 citation after the second notice.

HEATWAVE HITS WRINKLE CITY

Temperatures of over 98 degrees have forced some Wrinklecitians to stay inside where they can stay live in air conditioned luxury while others just sit in front of a fan with a block of ice in front of the fan.

Others just sit in their above ground pool, stand under the sprinkler or head down to the old swimmin hole like Schitz Creek.

Some people decide to modify their clothing to let more air in or head to HappyBunz and just let it all hang out!

Weather reports predict we are in for a heat wave during August and September.

FISH KILL HITS SCHITZ CREEK AND SPREADS TO SWIFT RUN AGAIN

Another round of floating fish suddenly appeared on Swift Run again. Hundreds of fish were found floating on the lake.

The source of the fish kill was tracked to Schitz Creek where Father Enos was baptizing another batch of unclean transients (bums).

“This has got to stop!” exclaimed local Resident Burt Puckermann. “They're a killin the fish and makin the lake stink like dirty socks. This is the second time in two months this has happened.” he said.

Father Enos was contacted by the Gazette, but refused to give a comment about the incident. However, he did say he was going to be doing some missionary work in Alaska for the next four months.

City workers were called to the creek and lake to clean up the dead fish and to install no fishing or swimming signs around the lake.

Mayor Souhey suggested that Wrinklecitians need to purchase more bottled water as the stink has spread to the local water plant and they are currently trying to figure out how to get the dirty sock taste out of the water.

The Happy Bunz Clothing Optional Society opened in late June and as temperatures climbed, business increased.

“We average 1000 campers a day” said owner Orville Bunz. “Business has been boomin and we have to constantly keep our customers satisfied” said Fern Bunz, wife and co-owner. “We’re doin a heck of a business in soda, ice cream, calamine lotion and bug repellent” she said.

Daily activities will include co-ed jogging, bad / awful mittin, yoga for beginners, mooning as a second hobby, poisonous plant identification, how to throw darts and protect your naughty parts and proper sunning etiquette. The camp is located next to the beginner course at the Echo Pond Golf Course.

**GOLF COURSE ATTENDANCE
BOOMING**

Toots Kowalsi, Echo Pond Golf Course Pro announced to the city commission that the beginner course concession stand at Echo Pond has had a phenomenal growth in business. “We have over 200 golfers a day visit the stand, but they miss their Tee Times due to the activity at the club next door.” “The beginners course is a busy place due to the activity at Happy Bunz” said Toots. “The beginner’s concession stand made a lot of money for us last year thanks to the Golden Boyz and we want to continue a rise in the profits!” exclaimed Kowalski. “We hope to sell a lot of drinks and sun-blocker to the golfers” he said.

**GOLF TALES FROM THE 19TH
HOLE**

By Toots Kowalski
Golfing in Heaven

Three golfers, Jesus, Moses and an old man, get to the 18th tee. It’s all tied. All three have the same score. Jesus’ second shot goes into the water and lands on a rock. He walks on the water out to the ball and hits it within a foot of the hole. Moses’ second shot also goes into the water and sinks. He parts the water and then hits his ball within a foot of the hole.

The old man also hits his second shot into the water, but it lands on a water lilly. A frog comes out of the water and takes the ball. Just then a bird swoops down and grabs the frog and carries him, with the ball, right over the 18th hole where the frog drops the ball right into the cup.

Moses turns to Jesus and says, "You know, I really hate playing with your Dad."

Corporate America

The game of choice for unemployed people or maintenance level workers is basketball.

The game of choice for frontline workers is football.

The game of choice for middle management is tennis.

The game of choice for CEOs and executives is golf.

Conclusion: The higher up on the corporate ladder you are, the smaller your balls are.

RELIGIOUSLY SPEAKING

By Pastor Geraldine Dibley

An Irishman goes into the confessional box after years of being away from the Church.

There's a fully equipped bar with Guinness on tap.

On the other wall is a dazzling array of the finest cigars and chocolates.

Then the priest comes in.

"Father, forgive me, for it's been a very long time since I've been to confession, but I must first admit that the confessional box is much more inviting than it used to be.

"The priest replies: "Get out. You're on my side."

A Theory of Creation

God created the mule, and told him, "You will be mule, working constantly from dusk to dawn, carrying heavy loads on your back. You will eat grass and lack intelligence. You will live for 50 years."

The mule answered, "To live like this for 50 years is too much. Please, give me no more than 20." And it was so.

Then God created the dog, and told him, "You will hold vigilance over the dwellings of Man, to whom you will be his greatest companion. You will eat his table scraps and live for 25 years."

And the dog responded, "Lord, to live 25 years as a dog like that is too much. Please, no more than 10 years." And it was so.

God then created the monkey, and told him, "You are monkey. You shall swing from tree to tree, acting like an idiot. You will be funny, and you shall live for 20 years."

And the monkey responded, "Lord, to live 20 years as the clown of the world is too much. Please, Lord, give me no more than 10 years." And it was so.

Finally, God created Man and told him, "You are Man, the only rational being that walks the earth. You will use your intelligence to have mastery over the creatures of the world. You will dominate the earth and live for 20 years."

And the man responded, "Lord, to be Man for only 20 years is too little. Please, Lord, give me the 30 years the mule refused, the 15 years the dog refused, and the 10 years the monkey rejected." And it was so.

And so God made Man to live 20 years as a man, then marry and live 30 years like a mule working and carrying heavy loads on his back. Then, he is to have children and live 15 years as a dog, guarding his house and eating the leftovers after they empty the pantry; then, in his old age, to live 10 years as a monkey, acting like an idiot to amuse his grand children.

MORTAL HUMOR

BY EMERSON BALMER, JR.,
AMIGONE FUNERAL HOME
(NEXT TO BUBBA'S BBQ)

Aging Aunt Mildred was a 93-year-old woman who was particularly despondent over the recent death of her husband. She decided that she would just kill herself and join him in death.

Thinking that it would be best to get it over with quickly, she took out his old Army pistol and made the decision to shoot herself in the heart, since it was badly broken in the first place.

Not wanting to miss the vital organ and become a vegetable and a burden to someone, she called her doctor's office to inquire as to just exactly where the heart would be on a woman. The doctor said, 'Your heart would be just below your left breast'.

Later that night, Mildred was admitted to the hospital with a gunshot wound to her knee.

Any day above ground is a good one.

GRUMPIN AROUND TOWN

WITH GRUMP

By Falworth T. Grump

Everywhere I go I hear people talkin' about taxes going up and up. A tax for this and a tax for that. Don't people realize there is only so much money available!

The feds want to raise the debt ceiling so they can spend more of my tax dollars. Do they want to reduce the size of the federal government? No! Do they want to live within their means like the common folk in Wrinkle City? No! These politicians must live with their heads up their arses thinking about how they can continually screw the public and get away with it.

I say live within your means. If you're a nation, city or county government, live within your revenue and don't spend money lavishly, be heavy in administrative costs, or create government offices that do nothing.

The essobeez need to wake up and smell the coffee!!!

Grump out!
