ROUTE 36 BEAUTIFICATION TO BE RE- DONE AGAIN

The Route 36 beautification project in the east end of town needs to be redone again. Last year the cold temperatures and the road salt obliterated the new landscaping. The state decided to re-plant the area with hardier plants. Louie's Landscaping of West Dayton was awarded the contract and the landscaping was re-planted and nurtured in July and August. It seems like Louie's Landscaping planted ornamental weeds instead of hardy plants. Now the place looks like West Dayton - full of weeds! Mayor Alton J. Souhey has requested the state put in a rock garden instead. Looks like it's back to the drawing boards again.

ANNUAL HALLOWEEN PARADE SUCCESSFUL DESPITE WIND

Despite the cool temps and a little rain, Wrinkle City held its annual Halloween Parade led by the Wrinkle City Scapegoat Band followed by kids of all ages. There were even a few floats in the mix for a change. The parade marched around MacDougle Square and then stopped at Lusch's and Boobs 'N Beer for special treats. Needless to say there was a lot of merriment going on!

SCHITT CREEK BRIDGE FIRES UP AGAIN

The Schitt Creek pedestrian bridge caught fire again for the umpteenth time. According to Wrinkle City Fire Chief Red Spenders someone reported the fire at 5 pm. "Seems like some pot smokin idiots was a lookin' at the remains of the last fire in the creek and dropped a hot ember from his joint on the dry rotting wood on the bridge", said Spenders. "When the smoke was commin' up off the bridge decking, they realized it wasn't from the wacky weed and split the scene", he said. Damage estimates to the bridge was estimated at \$52.25.

HALLOWEEN PARTY COSTUME DILEMMA

A long-time Wrinkle City resident, Elwood Winzer, who is a bald man with a wooden leg gets invited to a Halloween Party. He doesn't know what costume to wear to hide his head and his leg, So he writes to a costume company to explain his problem. A few days later he received a parcel with the following note:

Dear Sir,

Please find enclosed a pirate's outfit. The spotted handkerchief will cover your bald head and, with your wooden leg, you will be just right as a pirate.

Very truly yours,
Acme Costume Co.

The man thinks this is terrible because they have emphasized his wooden leg and so he writes a letter of complaint. A week goes by and he receives another parcel and a note, which says:

Dear Sir,

Please find enclosed a monk's costume. The long robe will cover your Wooden leg and, with your bald head, you should really look the part.

Very truly yours,
Acme Costume Co.

Now the man is really upset since they have gone from emphasizing his wooden leg to emphasizing his bald head, so again he writes the Company another nasty letter of complaint. The next day he gets a small Parcel and a note, which reads:

Dear Sir,

We have TRIED our very BEST. Please find enclosed a bottle of molasses and a bag of crushed nuts. Pour the molasses over your bald head, pat on crushed nuts, stick your wooden leg up your butt and go as a caramel apple.

Very truly yours,
Acme Costume Co

HALLOWEEN PRANK LEAVES POLICE WITHOUT A POTTY...AGAIN

Local teens played a traditional Halloween prank on the local constabulary by heisting their only porcelain pot from inside the police station again at City Hall for the 6th straight year. Chief Barney "One Bullitt" McGinty estimates the theft occurred when the police were providing security at the Halloween parade at MacDougle Square. "We're going to get to the bottom of this as soon as possible" said McGinty. "Next thing you know they'll be stealing our toilet paper," he said.

Local members of the Huntin' and Game Klub provided the police with a homemade "camper's friend" complete with a complimentary roll of toilet paper to use

while they can find theirs. "It's our duty to help others in need" said Herman Smiff, President of the club.

McGinty was the first to use it as he just couldn't wait!

THE OLD DUFFER SPEAKS...

By Toots Kowalski

From time to time, I hear good jokes from some of the member of the Golden Gang that frequent the clubhouse. This one comes from Judge Cheatham:

A golfer hooks his drive into the woods to the left of the fairway. While looking for his ball he happens upon a leprechaun. The leprechaun asks him, "How's your round of golf is going?". The golfer admits, "I'm having one of my worst rounds ever." The leprechaun zaps the golfer with a magic spell. The leprechaun then asks, "How's your sex life doing?" The golfer replies, "In all honesty, I haven't had any in years." So, the leprechaun zaps him with another spell. The golfer goes on to have his best round ever.

Two months later the golfer is playing the same course. He checks to see if the leprechaun is still around. Sure enough, he spots him in the woods. The leprechaun asks, "How's how has your golf been lately?" The golfer responds with pride, "I'm playing the best golf of my life." The leprechaun then asks, "How's your sex life doing?" The golfer replies happily, "I've been getting some almost every other week." The leprechaun seemed dismayed and said, "Boy, I would have thought you would be doing much better than that."

The golfer replied, "Well for a priest, from a small town, with no car, every other week isn't so bad."

"My name is Helda, and I have a tendency to fly off the handle."

Only a golfer would understand this story of a golfer at the dentist:

A man and his wife walked into a dentist's office. The man said to the dentist, "Doc, I'm in one heck of a hurry. I have two buddies sitting out in my car waiting for us to go play golf, so forget about the anesthetic, I don't have time for the gums to get numb. I just want you to pull the tooth, and be done with it! We have a 10:00 AM tee time at the best golf course in town and it's 9:30 already ... I don't have time to wait for the anesthetic to work!" The dentist thought to himself ... "My goodness, this is surely a very brave man asking to have his tooth pulled without using anything to kill the pain." So the dentist asks him, "Which tooth is it sir?"

The man turned to his wife and said, "Open your mouth Honey, and show him!"

My buddy Jimmy Harzwell told me this one:

This guy brings his best golf mate home, unannounced, for dinner at 6:30, after golf. His wife screams her head off while his friend sits open mouthed and listens to the tirade.

"My bloody hair & makeup are not done, the house is a effing mess, the dishes aren't done. Can't you see I'm still in my scruffy pajamas and I can't be bothered with cooking tonight! Why the hell did you bring him home unannounced you stupid idiot?"

"Because he's thinking of getting married..."

MORTAL HUMOR ...

By Emerson Balmer, Amigone Funeral Services

Estate planning

Tom was a single guy living at home with his father and working in the family business. When he found out he was going to inherit a fortune once his sickly father died, he decided he needed a wife with which to share his fortune.

One evening at an investment meeting, he spotted the most beautiful woman he had ever seen. Her natural beauty took his breath away.

"I may look like just an ordinary man," he said to her, "but in just a few years, my father will die, and I'll inherit 20 million dollars."

Impressed, the woman obtained his business card.

Three days later, she became his stepmother.

Women are so much better at estate planning than men.

RELIGIOUS HUMOR

By Pastor Geraldine Dibley

A few minutes before the church services started, the congregation were sitting in their pews and talking.

Pastor's false teeth

A Pastor goes to the dentist for a set of false teeth. The first Sunday after he gets his new teeth, he talks for only eight minutes. The second Sunday, he talks for only ten minutes. The following Sunday, he talks for 2 hours and 48 minutes.

The congregation had to mob him to get him down from the pulpit and they asked him what happened. The Pastor explains the first Sunday his gums hurt so bad he couldn't talk for more than 8 minutes. The second Sunday his gums hurt too much to talk for more than 10 minutes. But, the third Sunday, he put his wife's teeth in by mistake and he couldn't shut up...

Drunk in the confessional

A drunken man staggers in to a Catholic church and sits down in a confession box and says nothing. The bewildered priest cough to attract his attention, but still the man says nothing.

The priest then knocks on the wall three times in a final attempt to get the man to speak.

Finally, the drunk replies, "No use knocking, there's no paper in this one either."

PASTOR BOB SPEAKS ...

Here at the Church of the Covered Dish we welcome people into our small but friendly parish. Services are on Wednesdays and Sundays with a seven bean potluck supper on Friday nights.

Please pray for fellow parishioner Dort Cudwell and keep him in your thoughts as he made a grievous err in his ways.

You see Dort was in trouble. He forgot his wedding anniversary.

His wife was really angry. She told him "Tomorrow morning, I expect to find a gift in the driveway that goes from 0 to 200 in less than 10seconds, AND IT BETTER BE THERE!!"

The next morning Dort got up early and left for work. When his wife woke up she looked out the window and saw a gift-wrapped box in the middle of the driveway.

Confused, the wife put on her robe and ran out to the driveway.

She unwrapped and opened the package. Inside she found a brand new bathroom scale.

Dort's memorial service will be at the Amigone Funeral Home this Friday at 7:00 PM. Please pray for him.

Go in peace!

And That's When...

I took my wife to a restaurant.
The waiter, for some reason, took my order first.
"I'll have the rump steak, rare, please."
He said, "Aren't you worried about the mad cow?"
"Nah, she can order for herself."
And that's when the fight started.....

My wife at her high school reunion, and she kept staring at a drunk swigging his drink as he sat alone at a nearby table.

I asked her, "Do you know him?"
"Yes", she sighed, he's my old boyfriend. He began drinking right after we split up years ago, and hasn't been sober since."

"My God!" I said, "Who would think a person could go on celebrating that long?"
And then the fight started...

GRUMPIN AROUND TOWN

WITH GRUMP

By Falworth T. Grump

I recently spent \$6,500 on a young registered Black Angus bull.

I put him out with the herd but he just ate grass and wouldn't even look at a cow.

I was beginning to think I had paid more for that bull than he was worth.

Anyhow, I had the Vet come and have a look at him.

He said the bull was very healthy, but possibly just a little young, so he gave me some pills to feed him once per day.

The bull started to service the cows within two days, all my cows! He even broke through the fence and bred with all of my neighbor's cows!

He's like a machine!

I don't know what was in the pills the Vet gave him.... but they kind of taste like peppermint.
