SCHOOL BELLS RING AGAIN

Teachers and Kids Groan, WilMart Sells Out and Parents Rejoice

It's back to school time in Wrinkle City! The Dyslexic Brothers have been painting the school zone signs with their usual fare. Moms have been taking the kids to WilMart to buy their school clothes and

supplies in advance of the first day of classes. Dads are working three jobs just to pay off the debt incurred in getting ready.

CONTINUED HEATWAVE

Continued temperatures of over 90 degrees have forced some Wrinklecitians to stay inside where they can stay live in air conditioned luxury while others just sit in front of a fan with a block of ice in front of the fan.

Weather reports predict we are in for a heat wave during September with little rain in sight.

Many Wrinklecitians have resorted to using their pickem-up trucks as portable cooling stations / pools or just sitting under the lawn sprinkler to stay cool.

For the more adventurous citizens, some will flock to Happy Bunz Clothing Optional Society to just stay in the shade and let it all hang out!

WRINKLE CITY SCHOOLS GET LESS THAN EFFECTIVE STATE RATING

Superintendent Jimonetta Carter received notification from the State Board of Education that Wrinkle City Schools have received a "Less Than Effective" or "D" rating as compared to last year's Almost Effective Rating. "It must be the idiots who can't read or do math in the 5th grade and the teen pregnancies that are dragin' us down" she said.

Superintendent Carter expressed interest in having the board re-hire Silliman Learning and motivational specialists to tutor the students and teachers. The board agreed and a contract will be let within 30 days.

SCHITZ INDUSTRIES TO SPONSOR GREAT AMERICAN OUTHOUSE FESTIVAL

Schitz Industies will sponsor the first ever Great American Outhouse Festival in beautiful downtown Wrinkle City on September 25th. "The object will be to promote the rich outhouse heritage and

manufacturing of Schitz Industries in Wrinkle City and its contribution to the world" said Louis T. Crapper, CEO.

"We plan on having events such as the "Undie 500 Underwear Race, Outhouses of the Rich and Famous Review, the Great Potty Race among other events for the public" said Crapper. "A large display of porto-poties and other devices will be on display to the general public.

The city-wide event will take place in front of City Hall on the town square.

HAPPY BUNZ CLOTHING OPTIONAL SOCIETY GETTING READY TO CLOSE DAILY CAMPING FOR THE SEASON

The Happy Bunz Clothing Optional Society opened in late June and as temperatures climbed, business increased and increased and increased. Now it's time to slow the pace and close up for the season.

"We averaged 1000 campers a day" said owner Orville Bunz. "Business was boomin' a said Fern Bunz, wife and co-owner. "We were doin' a heck of a business in soda, ice cream, calamine lotion and bug repellent" she said. Now it's time to sell out the stock and begin getting ready for Fall weekend campers and closing the camp.

Weekend activities will still include co-ed jogging, bad / awful mittin, yoga for beginners, mooning as a second hobby, how to throw darts and protect your naughty parts and proper sunning etiquette. The camp is located next to the beginner course at the Echo Pond Golf Course.

Happy Bunz expansion plans to purchase the grass strip airport next to the golf course is still in the works. The plans are to put in a Motel 5 ½ with an indoor / outdoor pool on the airport property and provide a shuttle to the clothing optional society grounds next door. Motel construction will begin in the spring of 2020.

GOLF COURSE ATTENDANCE BOOMING

Toots Kowalski, Echo Pond Golf Course Pro announced to the city commission that the beginner course concession stand at Echo Pond has had a phenomenal growth in business. "We have over 400

golfers a day visit the stand, but they miss their Tee Times due to the activity at the club next door. We expect this to decline as Happy Bunz closes for the winter "The beginner's concession stand made a lot of money for us last year thanks to the Golden Boyz and we want to continue a rise in the profits!" exclaimed Kowalski

Fatherly Advice.

A father spoke to his son, "It's time we had a little talk, my son. Soon, you will have urges and feelings you've never had before. Your heart will pound and your hands will sweat. You'll be pre-occupied and won't be able to think of anything else."

He added, "But don't worry, it's perfectly normal...it's called golf."

In The Rough

Mac and Jimmy are playing a challenging new course and as usual Mac is having a tough time off the tee.

On the 6th hole he hits a huge banana ball. "Did you see where that drive went...is it in the rough?" he asks. "Sort of " says Jimmy. "How far in?" asks Mac.

" I'm not sure, but I hope our cart has 4-wheel drive"

RELIGIOUSLY SPEAKING

By Pastor Geraldine Dibley

Irish Alzheimer's

Murphy showed up at Mass one Sunday and the priest almost fell down when he saw him. He'd never been to church in his life.

After Mass, the priest caught up with him and said, "Murphy, I am so glad ya decided to come to Mass. What made ya come?"

Murphy said, "I got to be honest with you Father, a while back, I misplaced me hat and I really, really love that hat. I know that McGlynn had a hat just like mine and I knew he came to church every Sunday. I also knew that he had to take off his hat during Mass and figured he would leave it in the back of the church. So, I was going to leave after Communion and steal McGlynn's hat."

The priest said, "Well, Murphy, I notice that ya didn't steal McGlynn's hat. What changed your mind?"

Murphy replied, "Well, after I heard your sermon on the 10 Commandments, I decided that I didn't need to steal McGlynn's hat after all."

With a tear in his eye the priest gave Murphy a big smile and said; "After I talked about 'Thou Shalt Not Steal' ya decided you would rather do without your hat than burn in Hell?"

Murphy slowly shook his head. "No, Father, after ya talked about 'Thou Shalt Not Commit Adultery' I remembered where I left me hat.

MORTAL HUMOR

BY EMERSON BALMER, JR.,
AMIGONE FUNERAL HOME
(NEXT TO BUBBA'S BBQ)

Workholic

A workholic man spends every second of the day trying to make more money than Bill Gates.

He makes his wife promise to bury him with all his money when the time comes.

One given Monday, before his "Week beginning meeting" he dies from a stroke produced by his high levels of cholesterol, stress, and hypertension.

During the funeral, the widow approaches and puts a small box next to the coffin. Her mother asks if she had been so silly to bury all the money and she replies:

"I'm Christian, and therefore I had to keep my promise. I took all his money and put it in my account. Then I wrote a check for the exact quantity, which is inside the box. If he can cash the check in the after word, the money is his to spend".

Any day above ground is a good one.

AN OLD COUPLE AT THE DOCTORS

An old couple go to the doctor. The old man goes first to have his physical. When the doctor is done with him, he sends the old man back into the waiting room and calls the old woman in.

The doctor tells her, "Before we proceed with the examination, I would like to talk to you about your husband first."

The old woman says, "Oh, no, it's his heart. I told him to lay off the eggs."

The doctor says, "Well, I asked your husband how he is feeling and he told me he felt great. He said that when he got up to go to the bathroom, he opened the door and God turned the light on for him. When he was done, he would shut the door and God would turn the light out for him."

The old woman responded, "Damn it, he's peeing in the fridge again!"

THE OLD FAMILY PHYSICIAN

The old family physician being away on vacation, entrusted his practice to his son - a recent medical student. When the old man returned, the youngster told him among other things, that he cured Miss Ferguson, an aged and wealthy spinster, of her chronic indigestion.

"My boy," said the old doctor, "I'm proud of you, but Miss Ferguson's indigestion is what put you through college."

A SLIGHTLY CONFUSING SITUATION

An 80 year old couple were having problems remembering things, so they decided to go to their doctor to get checked out to make sure nothing was wrong with them. When they arrived at the doctors, they explained to the doctor about the problems they were having with their memory.

After checking the couple out, the doctor told them that they were physically okay but might want to start writing things down and make notes to help them remember things.

The couple thanked the doctor and left.

Later that night while watching TV, the man got up from his chair and his wife asked, "Where are you going?"

He replied, "To the kitchen."

She asked, "Will you get me a bowl of ice cream?"

He replied, "Sure."

She then asked him, "Don't you think you should write it down so you can remember it?"

He said, "No, I can remember that."

She then said, "Well I would also like some strawberries on top. You had better write that down because I know you'll forget that."

He said, "I can remember that, you want a bowl of ice cream with strawberries."

She replied, "Well I also would like whipped cream on top. I know you will forget that so you better write it down."

With irritation in his voice, he said, "I don't need to write that down! I can remember that." He then fumes into the kitchen. After about 20 minutes he returned from the kitchen and handed her a plate of bacon and eggs.

She stared at the plate for a moment and said angrily: "I TOLD you to write it down! You forgot my toast!"

There is attitude and then there is positive attitude!

"Life is not the way it's supposed to be - it's the way it is. The way you cope with it is what makes the difference."

After his plane was hit and he was forced to eject, the Marine Corps fighter pilot finally regained consciousness. He was in a hospital in a lot of pain.

He found himself in the ICU with tubes/IV drips in both arms, a breathing mask, wires monitoring every function and a nurse hovering over him looking worried. It was obvious he was in a life-threatening situation.

The nurse gave him a serious look, straight into his eyes. Knowing he was not only a fighter pilot, but a Marine, she spoke to him softly and slowly, enunciating each word: "You may not feel anything from the waist down."

Somehow he managed to mumble in reply, "Can I feel your ta-tas, then?"

And that, my friends, is a real positive attitude.

PROBLEMS JOINING A CLOTHING OPTIONAL SOCIETY

A man joins a very exclusive nudist colony. On his first day there, he takes off his clothes and starts to wander around. A nice looking redhead walks by, and the man immediately gets an erection. The woman notices his erection, comes over to him and says, "Did you call for me?" The man replies, "No, what do you mean?" She says, "You must be new here. Let me explain. It's a rule here that if you get an erection, it implies you called for me." Smiling, she leads him to the side of the swimming pool, lies down on a towel, eagerly pulls him to her and happily lets him have his way with her.

The man continues to explore the colony's facilities. He enters the sauna and, as he sits down, he farts and within minutes, a huge, hairy man lumbers out of the steam-room toward him and says, "Did you call for me?" Then newcomer replies, "No, what do you mean?" The hairy man replies, "You must be new. It's a rule that if

you fart it implies that you called for me.” The huge man easily spins the newcomer around, bends him over a bench and has his way with him.

The newcomer staggers back to the colony office, where he is greeted by the smiling, naked receptionist and she says, “May I help you?” The man yells, “Here’s my membership card. You can have the key back and you can keep the \$500 membership fee!” She replies, “But Sir, you’ve only been here for a few hours. You haven’t had the chance to see all our facilities.” The man replies, “Listen lady, I’m an older guy. I only get an erection once a month and I fart 35 times a day.”

SEX AT 73

I just took a leaflet out of my mailbox, informing me that I can have sex at 73.

I'm so happy, because I live at number 71.

So it's not too far to walk home afterwards.

And it's the same side of the street.

I don't even have to cross the road!
